

George Brown College

Official Document Cover Page

George Brown College official documents are issued directly through MyCreds™ which is owned by the Association of Registrars of the Universities and Colleges of Canada (ARUCC) and powered by Digitary, a trusted international verified digital credential platform. MyCreds™ ensures document authenticity. When transcripts, credentials, and any other documents are issued through MyCreds™, they are verifiable, secure, and include a cryptographic signature.

If you have received a notification of this document from noreply@mycreds.ca and a link to access it through MyCreds™, you are viewing a certified official document that you can trust. A document routed to you as an attachment from an individual personal email is not official and may not reflect the most recent version.

When viewed in PDF format in Adobe 9.0 or later, this document has a number of security features described below. These security features do not apply to a printed copy. This document is shared as a single-use transaction between the learner and the recipient and downloads are for record-keeping purposes only. Forwarding or reproducing this document will render the document not valid.

SECURITY INFORMATION

To verify the authenticity of the digital document, make sure you are accessing it online via a link to the document on MyCreds™. The link will start with <https://learner.mycreds.ca>.

When viewed in PDF format in Adobe Reader 9.0 (or later), the digital signature of the document should be interpreted as follows:

The blue-ribbon symbol signifies that the contents of the document have not been altered after it was downloaded. It does not signify its currency (it may have been revoked or replaced by the institution or organization with a more up-to-date document). If the document does not display a valid certification and signature message, reject this document immediately.

This symbol signifies that the Author is Unknown. Author Unknown can have two possible meanings: The document is a self-signed document or has been issued by an unknown or untrusted authority and, therefore, has not been trusted. If you receive this message, make sure you are properly connected to the internet. If you have a connection and you still cannot validate the digital signature online, reject this document.

This symbol with a red cross signifies that the issued document is invalid. An invalid digital certificate display means either the digital signature is not authentic, or the document has been altered. A document with an invalid digital signature display should be rejected.

This symbol indicates that Adobe needs to validate the signatures. You will need to follow the instructions to validate the signature. Should the signature validate successfully, you will be presented with the blue-ribbon symbol above. If it cannot validate the signature, the red cross will be presented.

This document is available for viewing until the expiry date set by the Learner. If your access has expired, you will need to contact the Learner to request a new share of the document. MyCreds™ cannot reissue documents.

For details about George Brown College's grading scales, academic standing and continuance policies, please refer to [this grading table](#).

For more information regarding electronic documents, see Recipient FAQs (employers, institutions, security and legal validity, verifying documents) <https://mycreds.ca/verifiers/#verify-faq>.

Notes:

- The **Cumulative Grade Point Average (GPA)** is based on all credit-level courses taken at the institution at the time of calculation.
- The **Program GPA** is based on all credit-level courses that are successfully completed and applied towards a particular program of study.
 - A Program GPA of 1.70 (diploma/certificate program) or 2.30 (degree program) is the minimum value required for graduation.
 - A Program GPA of 3.50 (diploma/certificate program) or 3.70 (degree program) is the minimum value required for graduating students to attain Honours designation.
- The **Term GPA** is based on the courses taken in a single term of postsecondary study (e.g. Fall 2027 – September to December 2027).
 - A Term GPA of 1.70 (diploma/certificate program) or 2.30 (degree program) is the minimum value required to qualify for promotion to the subsequent term.

CRED = Credits or Credit Hours - based on the number of instructional hours per week

PTS = Points or Quality Points - the product of the Grade Point Value and the Credit Hours for a course(s)

R = Repeat – this column indicates whether a repeated course is **Included (I)** or **Excluded (E)** from GPA Calculations

GPA = Grade Point Average - the sum of the points for all courses divided by the sum of the credits

For more information on George Brown Polytechnic's grading system and policies, please visit georgebrown.ca/policies. Course descriptions can be obtained by contacting the Faculty offering the course, or by referring to the Course Outline Viewer at georgebrown.ca/programs/course-outlines
